On September 3, 2008, the City Council adopted Ordinance 08-128 which places stricter requirements on the issuance of “fair and open” contracts than does the State “Pay-to-Play” law. Specifically, it prohibits political contributions in excess of certain thresholds in the one year preceding the contract award and during the life of a contract awarded pursuant to a “fair and open” process and requires Vendors to complete a certification of compliance. A copy of the ordinance and the certification are included in this document.

2.14 Open Public Records Act (OPRA) and Proprietary Information
Although item 2.12 indicates that all proposals will become public information, it is understood that OPRA contains exceptions for “Trade secrets and proprietary commercial or financial information obtained from any source” and “Information which, if disclosed, would give an advantage to competitors or bidders”. give an advantage to competitors or bidders”. This second version will be provided to persons submitting Open Public Records Act (OPRA) requests for information relating to this solicitation. Failure to provide two clearly marked proposals will mean that the Respondent agrees that the single version provided does not contain trade secrets or proprietary information and may be released pursuant to OPRA requests.
SECTION 3: WRITTEN PROPOSAL FORMAT

Proposals must address all information requested in this RFP. Proposals which in the judgment of the City fail to meet the requirements of the RFP or which are in any way conditional, incomplete, obscure, contain additions or deletions from requested information, or contain errors may be rejected.

Each proposal submitted must contain the 10 sections described below:

- Title Page
- Table of Contents
- Executive Summary
- Background
- Project Plan
- Key Dates & Deliverables

3.1.2 Table of Contents
The Vendor's proposal should include a Table of Contents, which lists the titles and page numbers for each major topic and sub topic contained in the proposal.

3.1.3 Executive Summary
This section should include a summary of the key points and highlights of the Vendor's response and should discuss the pricing contained in the proposal.

3.1.4 Background
In this section of the proposal, the Vendor should review its understanding of the business drivers behind the City’s strategy.
3.1.5 Project Plan
A general discussion of the approach the Vendor is proposing should be contained in this section. This should include detail of all assumptions being made to accomplish the desired approach. A discussion of the high level tasks and key milestones should be described in this section and tie directly or be referenced directly to deliverables in the workplan.

Vendors should highlight any risks they deem to be significant enough in nature, which could result in any priority specification within the project that would not be delivered on time, and on budget.

Additionally, the project plan should present a picture of key activities, milestones, key dates, etc. necessary to deliver this project. The City realizes that each Vendor brings its own methodology and work plan.

3.1.6 Key Dates & Deliverables
This section should present a summary of key dates, milestones and associated deliverables found in the work plan. A description of what the City should expect to see and/or receive on the associated date should be described and/or presented as examples.

3.1.7 Jersey City Responsibilities/Assumptions
In this section, the Vendor should clearly describe any assumptions relating to the responsibilities and/or commitments the Vendor is expecting of the City throughout the life of this project, as well as any assumptions being made relating to any part of the proposal or project strategy.

3.1.8 Staffing
A discussion of the project team that will be utilized should be contained in this section. 3.1.9 Timing and Fees
In this section, please describe the timing and associated fees the Vendor is proposing for the implementation. Vendors should be sure to include all expenses associated with delivery, in addition to professional fees. If this section is not included or is incomplete, the proposal will be rejected as unresponsive.

Note that the City prefers a cost-per-ticket model in which Vendors are paid based on the number of tickets issued. Vendors should provide a detailed price proposal.
This contract will be awarded as a contract for “proprietary computer hardware and software” using competitive contracting pursuant to N.J.S.A. 40A:11-4.1 et seq. for a term of 5 years.

The City requires that full implementation be completed within 60 days of contract award.

3.1.10 Appendices/Other
This section should include at minimum: Vendor qualifications, references and resumes. If Vendors feel that other materials are necessary (such as promotional literature, white papers, etc) they should provide them in a separate document clearly labeled “Additional Materials” in order to adhere to the 30 page maximum guideline for proposal length. Note that these materials may or may not be reviewed by all evaluators and will not be part of the official evaluation.

Finally, any out of scope services not covered in other sections should be included here. A description of the personnel likely to be involved, and the resources brought to bear (including costs and/or hourly rates) must be provided.

The City will consider Proposals only from Respondents that, in the City's sole judgment, have demonstrated the capability and willingness to provide high quality services to the citizens of the City in the manner described in this RFP.

7.1 Evaluation methodology

Proposals will be evaluated by a committee appointed by the Business Administrator. Each evaluator will score the written proposals and rank the Vendors.

7.2 Written response evaluation

There will be eight broad criteria by which proposals will be evaluated. Each criterion will bear a certain weight, and the extent to which the criterion is met or exceeded will be determined by the committee. The written response will be worth 100 points as indicated below.

a. Required Format: 10 points

The committee will determine the extent to which the proposal includes the required sections (Title page, Table of contents, etc). One (1) point will be awarded for each section.

b. Technical Requirements: 30 points

The committee will determine the extent to which the proposed software solution meets the goals as described in Section 5: Technical Requirements. (3 points each)

c. Project methodology: 10 points

The committee will determine the extent to which the proposed methodology meets the goals as described on the third page of this RFP. The degree to which specific activities and milestones are described will also be evaluated.

- Meet the objectives of the project (5 points)
- Activity/Milestone identification (5 points)

d. Timeliness of proposed methodology: 5 points

It is not the City's desire to engage in an unnecessarily extended process. Consultants should be assured that the City team members will give their respective projects top priority over all other existing efforts. As a result, proposals featuring well-defined and aggressive time frames for completion will be viewed more favorably.
e. **Prior experience with similar projects: 10 points**  
The City does not wish to overly educate its consultants as to the workings (both operational and statutory) of municipal government. As a result, proposals which include documentation (including references) of successful projects in municipalities of similar size (population 240,000; annual operating budget $500M) and complexity will be viewed more favorably. This section should include client references (including contact information) and details of project size.

f. **Personnel assigned: 5 points**  
Through this project, Jersey City will be reinforcing its reputation as a world class city, and is therefore entitled to expect world class credentials and experience from the Vendors which it employs for high profile efforts. Resumes of Vendor personnel will be scrutinized to ensure this requirement is met. Proposals which provide detailed accounts of team members' applicable experience and their anticipated roles in this project will be viewed more favorably.

g. **Cost: 25 points**  
The winning proposal will not necessarily be that with the lowest cost, but that which provides the greatest value to the City. Proposals should provide detailed breakdowns on the cost components, including out-of-scope services which are not covered in the main sections of the document.

- Detailed breakdown provided (10 points)
- Pricing appropriate to project (10 points)
- No minimum ticket volume (5 points)

h. **Commitment to diversity: 5 points**  
Support of, and utilization of Minority Owned, Women Owned, and/or Locally Owned Business Enterprises (MBE/WBE/LBE) consistent with the City’s policies, should be described.

7.3 **Written response evaluation**  
For each of the above written response criteria, the committee will determine the extent to which the requirements are fulfilled. This will be scored from 0 to 2, as follows:
Each criterion will be weighted by the extent to which the requirements are met and the resultant scores totaled, with 200 being the highest possible score. Each evaluator will then rank the Vendors by total score. Selected respondents ranked highest by a majority of evaluators will be invited to make oral presentations.

7.4 Final evaluation and report of committee
Based on both the written response and oral presentations, each evaluator will rank the finalists. The Vendor whose proposal is ranked highest among the greatest number of evaluators will be selected for the project.

The Committee will prepare a report listing the names of all Consultants who submitted proposals, summarizing each proposal, ranking Consultants in order of evaluation, and recommending the selection of a Consultant, indicating the reasons why the Consultant was selected and detailing the terms, conditions, scope of services, fees and other matters to be incorporated into the contract.

7.5 Contract award
A contract will be awarded pursuant to N.J.S.A 40A:11-4.1 et seq. and N.J.A.C 5:34-4.1 et seq. (Competitive Contracting Law and Regulations). The Municipal Council will vote to accept the proposal of a Consultant within 60 days of the receipt of proposals, except that the proposals of any Consultants who consent thereto, may, at the request of the City, be held for consideration for such longer period as may be agreed.

APPENDIX A
AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the ______________ of ______________ (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. §12101 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant thereto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner’s grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to correct a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim. If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor’s obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.
