Ordinance Purpose

Please be advised that on January 15, 2019, at the Regular Meeting of the Planning Board of the City of Jersey City the Board reviewed and commented on the proposed ordinance listed above. The purpose of the amendments to the Ordinance is to implement the Saint Lucy Overlay Bonus in the Neighborhood District of the plan. This Overlay Bonus permits the creation of numerous community benefits including: (1) a homeless shelter for both men and women that will include a minimum of 150 permanent beds, at least 5 units of transitional housing as defined by the State for families, at least 15 units of supportive housing as defined by the State; and, administrative offices, facilities to provide counseling services, social services and/or other supporting services for the client; (2) Redevelopment of the Saint Lucy’s Roman Catholic Complex must retain and incorporate portions of the character defining exterior features of the facades; (3) a minimum of 12 units or 3% of total units, whichever is greater, on the Saint Lucy Parcel shall be maintained and deed-restricted as affordable housing. Also, there is proposed increase to the fee for amending the redevelopment plan.

At their meeting, the Planning Board discussed, were provided the opportunity to ask questions and reviewed the amendment and its conformance to the Master Plan. Many members of the public came out in support. After public comments, the Board voted unanimously to recommend to the Council that this ordinance amending the Jersey Avenue Light Rail Redevelopment Plan be adopted.

X. SPECIFIC LAND USE PROVISIONS

C. Neighborhood District

5. Saint Lucy Overlay Bonus – (Blocks 7102 and 7103)

a. The Saint Lucy Overlay Bonus shall encompass real property fronting on Grove Street between 15th Street and 16th Street known on the Jersey City Tax Map as Block 7102 Lot 7 and Block 7103 Lots 12 to 17.

b. Developers are eligible for the Saint Lucy Overlay Bonus subject to designation by the Jersey City Redevelopment Agency ("JCRA") and compliance with the provisions of the Saint Lucy Overlay Bonus. Designated Redevelopers are required to fulfill certain community benefits and performance standards for the successful implementation of the objectives of the Redevelopment Plan. These community benefits and performance standards shall be memorialized in a Redevelopment Agreement, which shall be fully executed and recorded as a condition of site plan approval. Nothing herein shall be construed to deprive or dispossess the JCRA of the discretionary exercise of its redevelopment powers enumerated in N.J.S.A. 40A:12A-1 et seq. and including the designation of a redeveloper under the Act.

c. If any of the following apply, a development shall be subject to the provisions of the Neighborhood District and will not be eligible for the Saint Lucy Overlay Bonus:

i. The development conducted is not subject to a Redevelopment Agreement with the JCRA.

ii. The development conducted does not fulfill the specified community benefits/performance standards of this bonus.

iii. The development conducted does not meet or exceed the qualifying criteria of this bonus.

d. The provisions of the Saint Lucy Overlay Bonus shall only apply to a Designated Redeveloper that can meet or exceed the qualifying criteria and fulfill the required community benefits/performance standards, which are specified below.

i. The redevelopment parcel located on Block 7102 Lot 7 (the "Saint Lucy Parcel") shall have at least 200 feet of frontage on Grove Street, and consist of at least 35,000 square feet in area.

ii. The redevelopment parcel located on Block 7103 Lots 12 to 17 (the "Public Benefit Parcel") shall have at least 150 feet of frontage on Grove Street, and consist of at least 15,000 square feet in area.

iii. Additional lots, on blocks 7102 and 7103, which are contiguous to the required lots may be acquired to expand the lot area of a redevelopment project developed in accordance with the requirements of this bonus.

iv. Both Redevelopment Parcels shall be included as part of a single development
application.

v. The Public Benefit Parcel must be redeveloped to include:
   (a) a homeless shelter for both men and women that will include a
       minimum of 150 permanent beds;
   (b) at least 5 units of transitional housing as defined by the State
       for families;
   (c) at least 15 units of supportive housing as defined by the State; and,
   (d) administrative offices, facilities to provide counseling services, social
       services and/or other supporting services for the client population.

vi. The homeless shelter shall be owned and operated by a nonprofit organization
    with proven expertise in providing housing and services to the homeless
    population.

vii. The homeless shelter shall be completed with an approved certificate of
     occupancy and operating before homeless shelter services at the existing
     facility on Block 7102 can cease.

viii. Redevelopment of the Saint Lucy Parcel must retain and incorporate portions
      of the character defining exterior features of the facades, such as, but not
      limited to, the bell tower, entryways, pinnacles and other significant historic
      fabric of the Saint Lucy's Roman Catholic Complex into any new building
      constructed on the site.

ix. All development applications for the Saint Lucy Parcel shall be referred to the
    Historic Preservation Commission for review.

x. The redeveloper of the Saint Lucy Parcel shall retain a historic preservation
    professional who meets the Professional Standards Qualifications under the
    category of Historic Architecture or Architectural History in the Secretary
    Part 61, to review any proposed development.

xi. The means and methods as well as the extent of the Saint Lucy's Roman
    Catholic Complex to be retained and incorporated into a new building on the
    Saint Lucy Parcel shall be determined in consultation with the Historic
    Preservation Commission as part of a Certificate of Appropriateness. Upon
    review a recommendation shall be made to the Planning Board for
    consideration.

xii. Affordable Housing Requirements.
    (a) In addition to the required homeless shelter with 5 units of transitional
        housing and 15 units of supportive housing; a minimum of 12 units or
        3% of total units, whichever is greater, on the Saint Lucy Parcel shall
        be maintained and deed-restricted as affordable to households at or
        below 80% of the Area Median Income for Hudson County, as
        promulgated and published annually by the U.S. Department of
        Housing and Urban Development.
    (b) The affordable housing provided onsite shall be compliant with City
        ordinance Chapter 188 governing the development of affordable
        housing. An affordable housing agreement shall be signed by the
        redeveloper, City's Business Administrator, and City's Corporation
        Counsel incorporating the affordable housing requirements listed
        herein.
    (c) The redeveloper of the Saint Lucy Parcel shall execute a contract with
        a 3rd party to audit and prepare annual reports regarding compliance
        with the City Ordinances governing the development of affordable
        housing. Those reports shall be delivered to a designated agent of the
City as detailed in said developer’s agreement above. The designated agent of the City may be updated by the City upon written notice.

e. Principal Permitted Uses
   i. All principal permitted uses in the Neighborhood District of this Redevelopment Plan.
   ii. Transitional housing.
   iii. Supportive Housing.
   iv. Transient housing for the homeless population.

f. Accessory Permitted Uses
   i. All accessory permitted uses in the Neighborhood District of this Redevelopment Plan.
   ii. Uses customarily associated with, subordinate and incidental to a permitted principal use and which is located on the same lot therewith.
   iii. Off-site parking is permitted for the Public Benefit Parcel and may be provided on the St. Lucy’s Parcel.

g. Permitted Intensity of Development:
   i. Saint Lucy Parcel – not more than 450 residential dwelling units shall be constructed on the Saint Lucy Parcel.
   ii. Public Benefit Parcel – the Public Benefit Parcel shall contain a minimum of 150 permanent beds as part of a homeless shelter, a minimum of 5 units of transitional housing for families and a minimum of 15 units of supportive housing.

h. Area, Yard and Bulk Requirements – Saint Lucy Parcel
   i. Maximum Height:
      (a) All buildings shall have a base, which shall not exceed sixty (60) feet from grade inclusive of all parking levels.
      (b) Buildings may also have a tower above the base. The maximum height of the tower, inclusive of the base, shall not exceed two-hundred and fifty (250) feet.
      (c) Maximum stories: twenty-three (23) stories.
   ii. Minimum Lot Area: Thirty-five thousand (35,000) square feet.
   iii. Maximum Building Coverage:
      (a) Maximum building coverage permitted for the base of the building: 85% of the lot area.
      (b) Maximum building coverage permitted for the tower of the building: 67% of the lot area.
   iv. Minimum Street Frontage Setbacks:
      (a) All new construction must be setback the distance necessary to achieve a 15-foot wide sidewalk.
      (b) Minimum setback along 16th Street shall be zero feet; except that the existing setbacks to the building facades to be retained shall not be altered or reduced. All new construction must be setback the distance necessary to achieve a 15-foot wide sidewalk.
      (c) Minimum setback along 15th Street shall be 14 feet; except that the existing setbacks to the building facades to be retained shall not be altered and may encroach on the required 14 feet.
      (d) Minimum setback along Grove Street: the existing setbacks to the building
facades to be retained shall not be altered or reduced. All new construction must be setback beyond the front facades of the retained Saint Lucy’s Roman Catholic Church Complex.

v. Minimum Interior Lot Line Setbacks:
   (a) The minimum setback from an interior lot line for the base of any building shall be zero feet, except as necessary to meet building, fire and safety codes.
   (b) The minimum setback from an interior lot line for any building bulk above a height of 60 feet shall be 5 feet in order to provide windows in this sidewall.

i. Area, Yard and Bulk Requirements – Public Benefit Parcel
   i. Maximum Height: Eighty-five (85) feet.
   ii. Minimum Lot Area: Fifteen thousand (15,000) sq. ft.
   iii. Maximum Building Coverage: Eighty (80%) percent.
   iv. Minimum Front Yard Setback: (applies to all street frontages): Zero - except all new construction must be setback the distance necessary to achieve a 15-foot wide sidewalk width along all street frontages.
   v. Minimum Interior Lot Line Setbacks:

      c. Transient Housing for the Homeless – Zero
      d. Required parking may be provided on site or on the Saint Lucy’s site.
   iv. Valet and automated parking systems are permitted.
   v. Shared use of parking facilities is permitted and encouraged.
   vi. Bicycle Parking shall be provided as per the Jersey City Land Development Ordinance.

k. Building Design Standards – Saint Lucy Parcel
   i. The design of the building shall be referred to the Historic Preservation Commission for their review, comment and recommendation to the Jersey City Planning Board.
   ii. The new construction shall be of contemporary design so as to clearly delineate between the new building and the portions of the St. Lucy’s Roman Catholic Complex to be retained.
   iii. All new materials shall be of high quality such as glass, metal, stone, masonry, tile and other similar materials. Materials such as concrete block, EIFS, and other similar materials are prohibited.

l. Building Design Standards – Public Benefit Parcel
   i. The building shall be designed to reflect a residential appearance as viewed from the street, and shall be designed to have an attractive, finished appearance when viewed from various vantage points within the Redevelopment Area.
   ii. The street wall of the building shall be designed to create a residential scale and
pattern which emphasizes the vertical elements of the building. A long, flat horizontal plane along the street wall is discouraged. This can be accomplished through changes in building materials and colors, the placement of entry doorways, and the window placement, pattern and style.

iii. Entrances shall be designed to be functional and attractive. Architectural indicators such as awnings, pediments, changes in sidewalk paving patterns shall be used to accentuate entry points to the building.

iv. At least three (3) entry doorways shall be located along Grove Street in order to breakup the horizontal street plane of the building.

v. The building shall be designed to present a harmonious appearance within the area in terms of architectural style and materials, and shall be encouraged to incorporate elements found in the surrounding neighborhood to the extent practicable and appropriate.

XII. PROCEDURE FOR CHANGES IN APPROVED PLAN: PROCEDURES FOR AMENDING THE PLAN:

This Redevelopment Plan may be amended from time to time upon compliance with the requirements of law. A fee of $1,000 plus all costs for copying and transcripts shall be payable to the City of Jersey City for any request to amend this plan.

This Redevelopment Plan may be amended from time to time upon compliance with the requirements of law. The City of Jersey City reserves the right to amend this plan.

NO OTHER CHANGES
Saint Lucy Overlay Zone

- Neighborhood District density is limited to 50 development units per acre
- Saint Lucy site is 1.15 acres which would produce 57 units
- In exchange for increasing the density on Block 7102 to 450 units, the Redeveloper must:
  - Construct a 35,000 sf building (actual size is 47,411)
  - 4 Floors (approximately 38,000 sf) of building will serve as a shelter
  - 1 Floor (approximately 9,750 sf) will serve as 15 units of transitional housing
  - Build 12 moderate income units within the tower
